In the 5 years since the opening of the school, Poquoson has known both triumph and tragedy, stability and controversy, victory and defeat. Through good times we have discovered our potential; through bad, strength and togetherness. Throughout all elements of adversity we have emerged victors, whether in games of football, soccer, basketball, tennis, and track, or in the 5 years of learning at 51 Odd Road. In 5 years we've seen faces old and new; student, faculty, and administration; boy and girl; man and woman. Yet, even when these faces are gone, the invulnerable spirit that makes P.H.S. what it is shall remain.

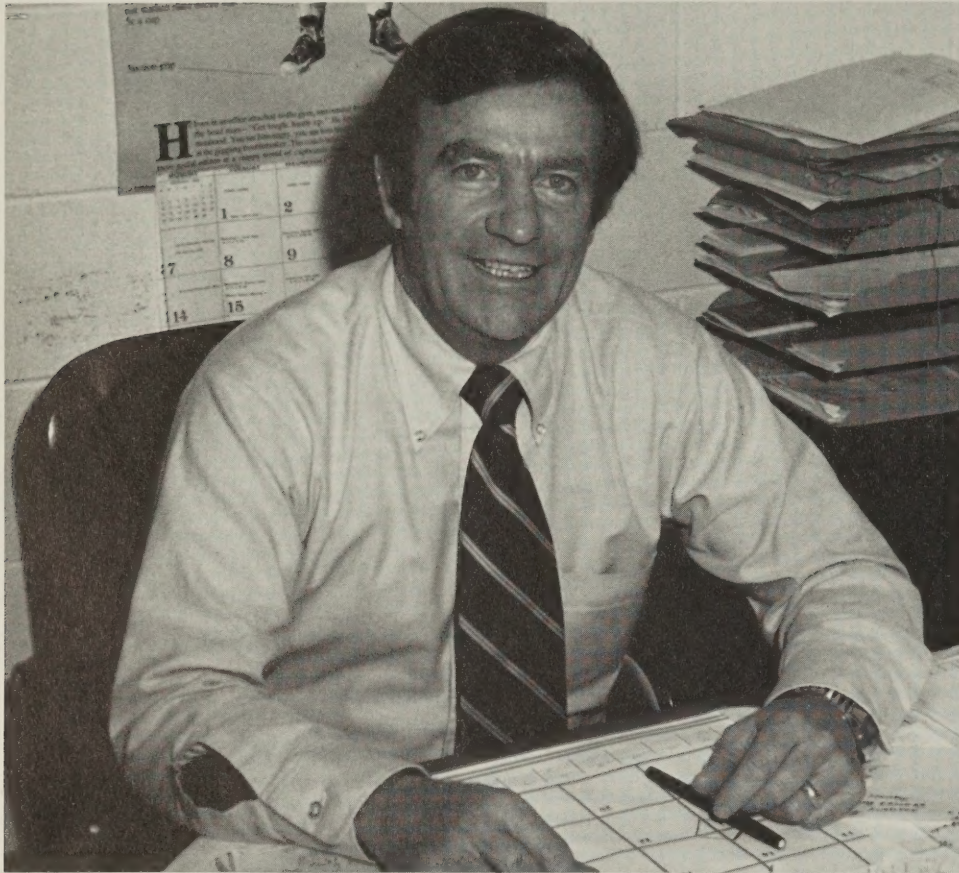

*V times four we know, is the term served by the one we all love so. She works in the office and we treasure her 'cause she knows us by name, it doesn't take a book to keep her but that's our aim.*

*V is for five years at 51 Odd Road, the school with a new ball diamond and lawns freshly mowed. 1981 is the year we remember so well with each photo we see and old story we tell. Teachers did come and some did go . . . but each is remembered by the seeds he did sow.*

*V is for doctor, although this does not seem to be but in a few lines you'll believe me. His voice booms over the loudspeaker as the principal of our school, He's the administrator with braces and a style so cool.*

# 25 YEARS OF SERVICE

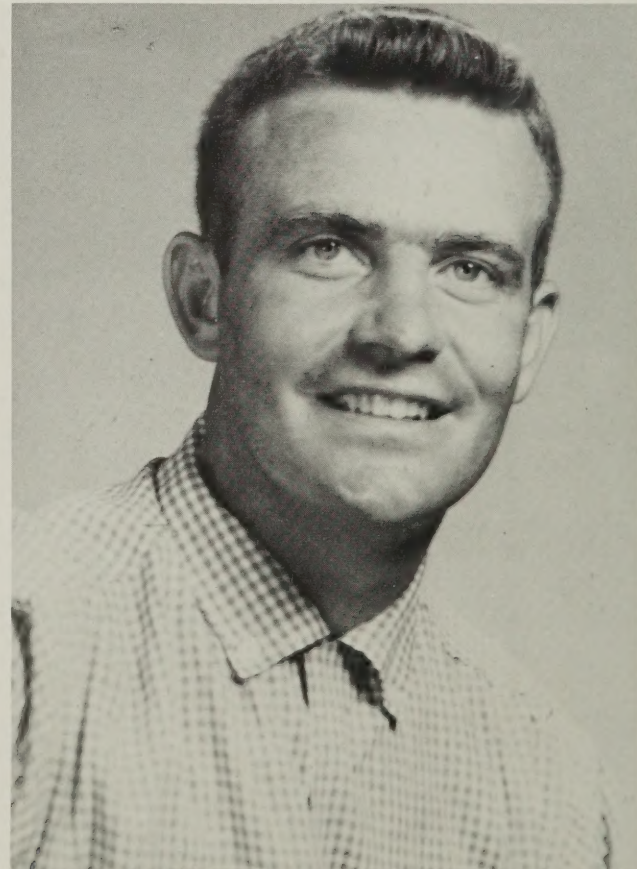

The Annual Staff of '81 dedicates this edition of the yearbook to Mr. Olen Smith Evans, Sr., Assistant Principal and a favorite at PHS.

Mr. Evans dedicates much of his time to the students and school as Assistant Principal and head football coach. Many of the students have grown to love and respect him greatly.

Mr. Evans has been in the Poquoson School System as a faculty member for over 25 years.

Mr. Evans lives in Hampton with his wife Emily and his son, Olen Jr., and daughter Teresa.

# TRANS ATLANTIC EXCHANGE

As a senior he is part of the first year soccer team, he plays tennis, he is in the National Honor Society, Chess Club, Key Club, S.C.A. and other clubs that the year-book takes photos for. Seriously, "Harvy" as many people call him, has an excellent sense of humor and was enjoyed immensely here at P.H.S. After graduation Javier plans on going to college in Madrid. It was a great cultural experience, Adios Javier.

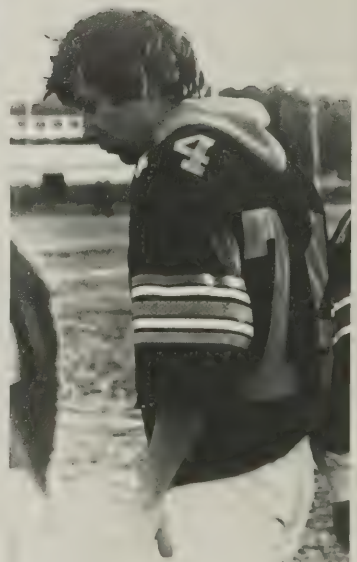

Her smiling face could be seen throughout the school each day as the bright French Foreign exchange student studied with the fabulous P.H.S. Class of 1981. Isabella took a stand in the senior section during pep rallies, made many new friends, and was the only kid in the school that could teach Madame Esrick a lesson in pronunciation. Bon Voyage Isabella, Revenez!

**Reward —** Anyone with information about this crime, please contact Dr. Vorhauer. Posters such as this might have been distributed through out the school had it not been for two of Dr. V's basic weaknesses: paperwork and organization. After all, why write it if you can say it and say it and say it. Who will ever forget the many "State of the Student" addresses that often interrupted the less than exciting lectures. Although the "State of the Students" were at times less than perfect, Dr. V. always stressed his confidence and his trust in both students and faculty. To quote Dr. V.: "I can live with that."

Mr. Olen Evans Sr. — Assistant Principal and Head Football Coach

With the entrance of Mr. Hinds came a new system of organization. He will be remembered for bringing method to the madness. Whereas everyone else simply stores supplies he methodically files them under tack, thumb; clip, paper; band, rubber;. His stern expression is often undermined by his taste in neckties; one causes a "high level of concern", the other causes a "low level of humor". We're looking forward to many more years with you, Mr. Hinds because "You've got class" "or is that "Have you got a class."

Mr. David Edward Hinds — Assistant Principal for Instruction

Miss Cora Everhart

By 7:15 in the morning, a bright and patient smile is ready to meet the faculty and students. Whereas, her job requires seclusion and concentration, her personality encourages conversation and advice.

After 21 years of service, she can remember every student who has entered Poquoson High School.

Poquoson does not need computerized records, we need "Miss Cora".

# OLEN EVANS, JR.

On January 23rd the Peninsula Sports Club named Olen Evans, Jr. the Athlete of the Year. The award was presented by Mr. Ron Kubesh at the Fort Monroe Officers Club. Mr. & Mrs. Olen Evans, Sr. surprised him with the news of the award during his 18th birthday celebration. Because Olen has been active in football, wrestling, and track during his four years at PHS, the students and the community believe that the award is well earned and well deserved. Olen plans to attend VMI after graduation.
